A good effort but needs to be better structured	156648-156642-9446794

7 Will you make any changes to your working practice?

7.a Please give brief reasons:-

Showing all 4 responses	
Use of tne in my practice and when to refer.	156648-156642-9443926
Consider laser pouch removal	156648-156642-9447252
This was an excellent course that gave me exposure to TNO and i feel motivated to try to establish this service in my centre. The use of LASER on cadavers gave me a chance to practice and enhanced my confidence. Now I will be more inclined to use laser in my theatre.	156648-156642-9454476
we follow the same principles	156648-156642-9524073

8 What was the most important thing you learned from this event?

Showing all 6 responses	
Laser skills	156648-156642-9443926
Ton	156648-156642-9446027
TNO	156648-156642-9447252
improve my ent skills	156648-156642-9450767
TNO	156648-156642-9454476
management of dysphagia	156648-156642-9524073

9 Please comment on up to three aspects of the course that you particularly liked.

Showing all 6 responses	
The practicals	156648-156642-9443926
Laser, stapling, tno	156648-156642-9446027
Approachable and experienced faculty Good venue and lab Small number of delegates	156648-156642-9446794
TNO practice, video-link to US, hands-on practice	156648-156642-9447252
the material base very performant and good quality of equipments very special (friendly,performant,opened) teachers	156648-156642-9450767
LASER use on cadavers TNO practice on cadavers Thyroplasty on cadavers	156648-156642-9454476

10 Please comment on up to three aspects of the course that you feel need improvement.

Showing all 5 responses	
Thyroplasty,	156648-156642-9446027
Needs to be better organised Need time to interact with speakers after the talks during breaks Demo / videos of the full surgical steps	156648-156642-9446794
Food - could the cooked food be heated?	156648-156642-9447252
We always need more hours of practice,as it`s impossible during 1 day or 2 days course	156648-156642-9450767
None	156648-156642-9454476

11 Please suggest further courses that Cuschieri Skills Centre could develop for your specialty.

Showing all 4 responses	
Head and neck course	156648-156642-9446027
I would share in 1 day courses phonosurgery,oesophagoscopy,laser,etc.	156648-156642-9450767
NA	156648-156642-9454476
very informative hands on practice excellent teaching	156648-156642-9524073

12 Additional Comments.

Showing all 3 responses	
I`m very grateful Dundee Hospital ENT Department for this oportunity,to meet such a special people.	156648-156642-9450767
Thank you for arranging an excellent course with a special thanks to the industry for supporting the course.	156648-156642-9454476
2nd day was finished in rush	156648-156642-9524073
